SPOOK-TACULAR PUMPKIN CARVING

With an adult's help, follow the instructions below and use the pattern to create your own Spook-tacular pumpkin!

1. Clean out the pumpkin, making sure to remove most of the flesh behind the area where you'll carve your design.
2. Attach the pattern to the pumpkin with tape.
3. With an adult's help, use a pin or tip of a knife to make closely spaced pin pricks along the edges of the black sections.
4. Remove the pattern from your pumpkin and use your knife to cut out the black sections you outlined with your pin pricks.
5. Your pumpkin masterpiece is finished! Make it extra spooky by placing a fake candle inside your pumpkin to make it glow.
