

Awesome Friendly

• NAME TAGS •

Photocopy this page until you have enough name tags to give one to each student in your class. To kick off your Awesome Friendly Classroom activities, ask each student to complete a name tag for themselves. Are they an Awesome Friendly artist, gamer, or soccer player? You can hang these on your classroom door as decoration, have students attach them to their desks, or post them on a bulletin board as a fun way for students to begin to get to know each other more!
